

Christmas Craft Pack

Your pack contains some ribbon, three crayons, a printed and punched card with some shapes and a printed and punched card with a cloud.

Cut out your shapes and the cloud

Cut your ribbon into four, three shorter pieces and one slightly longer.

Thread one end of each short piece through a hole on the shape and tie off in a knot behind.

Tie the other end of the ribbon through the holes in the cloud. Tie the last piece of ribbon through the remaining two holes so that it can be hung up.

Use the crayons and anything else you may have to decorate your cloud and the shapes.
