

The Wing Walk company COVID-19 ENHANCED HEALTH & SAFETY POLICY

The safety and the well-being of our customers and employees is our main priority, therefore we have reviewed relevant guidelines to enhance our Health & Safety Policy to ensure it mitigates the risk of Covid-19. We ask you to read the guidelines carefully.

Wing Walkers & Guests

- We can only allow Wing Walkers in our outdoor and office area; however, more guests can watch from the public areas at the airfield if they wish, which is still within 5 - 10 metres of the Wing Walking Aeroplane.
- Access to The Wing Walk Office at the airfields will be limited to the Wing Walker only, the outdoor seating area is available for your guests.
- Please bring your own mask and gloves (preferably clinical style ones) and wear them during your safety briefing and whilst you are being strapped and unstrapped from the aircraft. You can remove them for your Wing Walk flight.
- We advise you wear an item of clothing with a zip pocket, to put your mask and gloves in during wing walk.
- The Wing Walk Company fleeces will not be available for you to borrow for your Wing Walk whilst the COVID-19 restrictions are in place.
- The door to the Wing Walk Office will remain open during operational hours to avoid the need to touch door handles.
- All safety briefings will be carried out in the open air.
- Hand Sanitiser will be available for Wing Walkers and their guests to use throughout the day.
- Public toilet facilities are available at the airfield.
- At this time there will be limited food and refreshments available at airfield.

In line with the guidance provided by the health authorities, customers who develop symptoms suggestive of Covid-19 are urged to self-isolate and not to attend their booked Wing Walk experience. We will allow you to reschedule, free of charge for later in the year or for 2021.

Wing Walking Employees

- All our Wing Walk employees will receive full training on the enhanced Health & Safety Policies to mitigate the risk of Covid-19.
- All our Ground Crew Staff will wear the required PPE; including face shields and gloves throughout the day and regularly wash their hands.
- All our pilots will wear face masks when they are not flying and regularly wash their hands.
- All surfaces, tables and chairs in the Wing Walk office will be regularly cleaned with anti-bacterial wipes/sprays.
- Aircraft access steps will be regularly cleaned with suitable anti-bacterial wipes/sprays.

In the event an employee begins to show symptoms of Covid-19, they will immediately begin a period of self-isolation as recommended by the health authorities.
